

Limex Technologies : Leading supplier in Tannery and Footwear & Leather goods industries in Bangladesh

Over 30 years, Limex is working in two very closely related sectors in Bangladesh

The Leather Tannery Industry

The Footwear & Leather Goods industry

We provide full project consultancy, selection, installation, commissioning of machinery, and after sales services to both industries.

In tannery industry we supply:

- Brand new and reconditioned machinery, machinery parts and tanning chemicals.

In Footwear and leather goods industry we provide:

- Consultancy services; supply shoe machinery, parts and consumables, and accessories.

Our belief is, when our clients win, we win. Contact us in your business needs.
